RECORD OF INTERVIEW ON DECEMBER 13, 2005

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Interview Summary dated December 19, 2005, the applicant respectfully submits the following statement of substance of the interview of December 13, 2005.

On December 13, 2005, the undersigned representative conducted a telephonic interview with Examiner Mosser. The Notification of Non-Compliant Appeal Brief dated November 8, 2005 was discussed. Examiner Mosser and the undersigned representative agreed that the Notice of Non-Compliant Appeal Brief should be withdrawn, and in the Interview Summary dated December 19, 2005, Examiner Mosser withdrew the reasons for non-compliant appeal brief.

The Interview Summary further directed the applicant to MPEP 1205.03(b) for the required response. Although MPEP 1205.03(b) was discussed during the interview of December 13, 2005, the applicant respectfully clarifies that the reference to MPEP 1205.03(b) was made merely to indicate the required response in the absence of a withdrawal of the reasons for non-compliant appeal brief. However, because the Notice of Non-Compliance Appeal Brief was withdrawn, Examiner Mosser and the undersigned representative agreed that the requirements of MPEP 1205.03(b) are not applicable, and in

any event the Response to Notification of Non-Compliant Appeal Brief and the Revised Appeal Brief filed on December 8, 2005 satisfies any required response.

It is believed no fees are due with this record of interview. However, authorization is given to charge deposit account no. 13-2855 for any fees due.

Dated: January 11, 2006

Respectfully submitted,

By:
